PROFILE OF THE COLLEGE

Introduction:

Dr. B.K.B. College established in 1967 has gradually emerged to a premier institution of higher education in a purely rural ambience. This centre for higher education came into being under the able leadership and guidance of several leading citizens of Puranigudam. It was, in fact, a very adventurous project to which all the people rich and poor contributed at their own strength. Dr. B.K.B. College owes a great deal to those dedicated souls trying every plan to realize a long-cherished dream. We take pride at their noble efforts.

The college is named after Dr. Birinchi Kumar Barua- a dedicated teacher, folklorist, research scholar and a renowned literateur of Assam who was born in the famous Kharangi Barua family of Puranigudam. Dr. B.K.B. College has successfully come through the national accreditation programme in September, 2004 initiated by the University Grant Commission (UGC) and was re-accredited by NAAC in January, 2011. The college celebrated its Silver Jubilee in the year 1993 and is celebrating its Golden Jubilee in the year 2016-17 by organizing different academic and cultural programmes. The college campus maintains an excellent environment for teaching with evergreen trees, flower gardens and a fishery. The Kolong River at the back of the college building adds to its beauty.

Vision:

To impart higher education in under graduate (UG) level to the cross section of learners (basically belonging to the socio-economically backward communities) at an affordable cost through a syllabus designed by the parent university and a curriculum-extension interface at our own initiative.

Mission:

1. To generate knowledge and develop cognitive abilities through well planned curriculum, co-curricular and extra-curricular activities, teaching methods and evaluation procedure.
2. To inculcate values and preserve socio-cultural identities, ensure equal development and to foster a sense of belongingness to the Nation.
3. To create the academic environment for promotion of scholastic and non-scholastic activities.
4. To promote the values of self-sustenance and self-reliance by introducing career-oriented programmes, vocational workshops, seminars, etc. aiming at doing away with the legacy of bookish knowledge.
5. To realize social needs and arouse awareness among the students regarding emerging new realities, environmental and other challenges.

FACILITIES AVAILABLE IN THE COLLEGE

Hostel:

The college provides hostel facilities for girl students with provision for twenty two inmates. The students belonging to tea-tribe communities shall get preference. Intending students may apply for hostel seats in prescribed form issued by the office during admission. While admitting students to the hostel the concerned committee takes final decision and will be selected for admission in the college hostel on the basis of merit and distance.

Conveyance Allowance for Students:

The college has been providing Conveyance Allowance under U.G.C. scheme to students who hail from places 10 kilometers (or above) away from the college. The beneficiaries under this scheme must have a fair record of class attendance. No conveyance allowance will be provided during vacation/leave/recess which exceeds one week. There is a committee assigned for this purpose to finalise the matter.

Corpus Fund:

Corpus Fund, formed with monthly contributions of teaching and non-teaching staff of the College, is meant to provide financial assistance to the students belonging to the economically disadvantaged families requiring assistance for medical treatment and academic pursuit. However, the sole responsibility lies with the committee to consider the cases of the beneficiaries and the amount to be sanctioned thereafter.

Poor Fund:

The college has been providing financial assistance to students belonging to economically disadvantaged families from the accumulated fees collected from the students at the time of admission. The office after collecting the forms from the students in the month of November-December submits the same to the Poor Fund committee for selecting the beneficiaries on merit cum means basis.

Central Library:

The college library is enriched with more than fourteen thousand volumes of texts and reference books of eminent authors. The reference books of various kinds have definitely improved the quality of the library. National and regional newspapers, journals & periodicals are available

for the use of the students along with a spacious reading room. There is perhaps no limit to the standard of a well-managed library and hence we are still trying to improve and modernize the library. Books are issued to the students having library card from 10 A.M. to 3 P.M. A student can borrow two books at a time, for a fixed period of 15 days. After that the same books may be reissued. The college has a librarian, two assistants and a bearer. In case of any damage or loss of the book(s) borrowed the students are liable to bear the cost or purchase the same to return to the library.

Book Bank:

There is also a Book Bank especially for the poor students in order to provide text books for the entire session. On receiving application a panel of selectors will consider the eligibility criteria and then finalize the list of beneficiaries. We have plans to reshape and augment the existing Book Bank.

Departmental Library:

Each department of Dr. B.K.B. College maintains a small library with facilities of providing books particularly to the students offering major. There are around two hundred to five hundred books including journals in each of such libraries and it has been of great help to the advanced learners.

College Canteen:

All the members of the college community can avail the facility of the canteen installed within its campus. It provides lunch, tea and snacks at a comparatively low price with the supply of pure drinking water. Plans have been submitted for construction of a well-furnished canteen with modern facilities.

Auditorium:

‘Sudhakantha Dr. Bhupen Hazarika Prekshagriha’, the auditorium of the college is constructed with financial assistance from Tea Board, India and formally dedicated to the service of the academic community in 2013. Since then the auditorium has been in use while conducting various academic and community oriented programmes such as Freshers’ Social, meetings, seminars, workshops, etc. An auditorium complete in itself is an expensive project and still needs further works for completion.
