## Message from the Principal

The academic environment in Higher Education Institutions (HEI) all over the country has become normal after almost two years' Covid 19 ravages in all walks of life. However, total damages made by Covid 19 crisis in education sector of the country cannot be compensated. Campus life has become congenial for normal activities. It is hoped that our campus too will emerge anew with collaborative spirit to realise the institution's vision and mission. This is the time for admission into HEIs of the country. In our state also admission process has begun. Our institution has been fully prepared with a dynamic website to complete the online admission process and deliver the best possible service. The college named after Dr. Birinchi Kumar Barooah is one of the premier institutions in Nagaon district. We have been nurturing our vision and missions unique to our institution since its inception. Our institution is always ready for catering to the needs of students belonging to different disadvantaged sections of the society in the greater Puranigudam area of the district.

Our college established in 1967 is affiliated to Gauhati University, oldest and premier University in the entire Northeast India. Under the parent university our college has traversed more than fifty years' journey making remarkable contributions for all round development and changes to the nearby society. Under the leadership of the University, CBCS Undergraduate courses are in force at our college despite all initial challenges.

New Education Policy 2020 (NEP 2020) is going to be implemented in the country. The Govt. of Assam is planning to implement the NEP 2020 in our state from 2023. As we have many challenges in this regard, we are still fully not prepared in terms of infrastructures and academic expertise. But we are confident that we will be able to cope with all the challenges related to the introduction of NEP 2020 in our state.

The college at this stage stands well-equipped with highly qualified faculty members, a ready to serve office staff and up to date labs with necessary equipments. We are offering all the courses under humanities along with skilled based programmes on minimum and affordable fees. We always insist all round development of the students so that complete human being is produced for the development of the country.

With these few words, I would like to welcome the new batch of students to this reputed institution.

(Dr. Nripen Ch. Das)

## PROFILE OF THE COLLEGE

### Introduction:

Dr. B.K.B. College established in 1967 has gradually emerged to a premier institution of higher education in a rural ambience. This centre for higher education came into being under the able leadership and guidance of several leading citizens of Puranigudam. It was, in fact, a very adventurous project to which all the people rich and poor contributed at their own strength. Dr. B.K. B. College owes a great deal to those dedicated souls trying every plan to realize a long-cherished dream. We take pride at their noble efforts.

The college is named after Dr. Birinchi Kumar Barua- a dedicated teacher, folklorist, research scholar and a renowned literateur of Assam who was born in the famous Kharangi Barua family of Puranigudam. Dr. B.K.B. College has successfully come through the national accreditation programme in September, 2004 initiated by the University Grant Commission (UGC) and was re-accredited by NAAC in January, 2011. The college celebrated its Silver Jubilee in the year 1993 and its Golden Jubilee in the year 2017. Both the events particularly the Golden Jubilee were celebrated with memorable events amidst enthusiastic response from all the stake holders, student, alumni. Presently we have been setting the stage for the third cycle accreditation of the college by NAAC. The college campus maintains an excellent environment for teaching- ICT added classrooms, computer lab, library and a mechanism of curriculum extension interface. Evergreen trees, flower gardens and the Kolong River at the back of the college auditorium adds to its beauty.

### Vision:

To impart higher education in Higher Secondary (H.S.) level and Under Graduate (UG) level to the cross section of learners (basically belonging to the socio-economically backward communities) at an affordable cost through a syllabus designed by the AHSEC and Gauhati University and a curriculum-extension interface at our own initiative.

### Mission

1. To generate knowledge and develop cognitive abilities through well planned curriculum, co-curricular and extra-curricular activities, innovations in teaching learning environment and evaluation procedure.
2. To inculcate values and preserve socio-cultural identities, ensure equal development and to foster a sense of belongingness to the Nation.
3. To create the academic environment for promotion of scholastic and non-scholastic activities.
4. To promote the values of self-sustenance and self-reliance by introducing career-oriented programmes, vocational and cultural workshops, seminars etc. aiming at minimizing the burden of bookish knowledge.
5. To realise social needs and arouse awareness among the students regarding emerging new realities, environmental and other challenges.

## THE IQAC CELL

IQAC has been an integral part of the management of higher education in India. As an internal mechanism of higher education, the IQAC in a college helps management in planning and executing quality related programmes and activities, ensures justice and equity in fair transaction of scholastic activities and keeps profile of faculty improvement programmes of the teachers, prepares the AQAR for submission to NAAC and collaborates with the departments to carry out various scholastic and non-scholastic programmes. IQAC also plays prominent role in orienting and preparing the institution for

greater responsibility and for periodical assessment and accreditation by NAAC.

The IQAC in Dr. B. K. B. College has been functional since 2004. It has its bold initiative in steering the institution through the succeeding phases of accreditation processes with better result. This year too we are facing the 3rd cycle assessment within a few months. Dr. Kamal Saikia, Anjana Goswami, Dr. Jatin Sharma, Debita Kempri had been serving as coordinators in the succeeding phases. Now Dr. Abinash Bharali has been in charge of IQAC coordinator.

### **DR. B.K.B STUDY CENTRE**

Dr. Birinchi Kumar Barua Study Centre was launched in 2019 as per recommendation of the NAAC PEER TEAM visiting our college in 2011 for 2nd cycle reaccreditation of Dr. B. K. B. College. As the college is named after Dr. Birinchi Kumar Barua, the towering personality in Assamese literature, culture and historical scholarship in the first half of the twentieth century, it was deemed to be a continuous innovative practice for the institution to encourage and promote fresh ideas and critical enquiries in the field of humanities in his memory. The rationale behind its formation, precisely speaking, is to promote certain core values that can well reflect the spirit and pluralistic ideas as observed in the thoughts and works of Dr. B. K. Barua. We have some ambitious plans to give the centre a broad based research credential with specific focus on socio-cultural and environmental concerns. During the two academic sessions since its formation we have been conducting some routine activities i.e. B. K. Barua Memorial Lecture (annually in association with a particular department) and biennially by the Study centre), a certificate course in Creative and Critical Thinking for aspiring students in an academic session, literary and cultural programmes like Galpo-Kotha, (a story telling programme based on the texts of some leading short stories and beautifully tuned with classical music according to the emotional and intellectual temperament as reflected in the texts). On 22nd December 2021, the 8th biennial Dr. Birinchi Kumar Barua memorial lecture was delivered by Mr. Soumyadeep Datta, the noted environmentalist of national and international repute and a prolific author of nature writing and Buddhist culture. He spoke on “Needs of Biodiversity and its impact on the Assamese life.” He explained in the course of his speech the philosophy of biodiversity and the importance of conservation of natural habitat which has been a creation of long time natural evolution. Mr Barua was also the recipient of the Birinchi Kumar Barua College Award for the 4th time.

### **THE WOMEN'S CELL, DR.B.K.B. COLLEGE.**

The Women’s Cell at Dr.B.K.B. College was formed in the year 2006, with the aim of empowering and asserting the women to recognise their true potential. Its primary goal is the overall development of women in all spheres - socio-economic, cultural and environmental. It has set the goal of creating awareness about important issues related to women and to provide a forum for discussion and deliberation on a range of issues from empowerment to environment.

Objectives:

- To make students aware of Gender Equity.\*To look into the welfare of the students.\*To inculcate moral values through discussions and individual counselling.\*To create awareness on the roles / duties and rights of women so as to prepare them to protect themselves from any sort of harassment.

- To impart knowledge on health and hygiene. Major initiatives/programs/activities/events conducted and observed are cited below: \*Celebration of International Women day every year by arranging lectures within and outside campus focussing on relevant issues. \*Celebration of Children's day by visiting neighbouring schools and providing them books and other essential needs.
- Performing skits and one act plays for creating awareness in society.
- Organising group discussions speech, debate, essay competition etc on important issues to sensitive students.
- Arranging workshop, lectures, popular talk and awareness programs by inviting eminent personalities.
- Promote research work by publishing books. Providing financial aid to students belonging to economically weak background.

### **Vice Principal's Interactive session with the students during every new academic session**

The prime objective of the interactive session initiated by the Vice Principal, (Dr. Kamal Ch. Saikia) is to bring the students closer to the administrative structure and make them feel free and bold in placing their opinions, grievances, or seeking after the required services. Quality education demands a democratic environment and a stress-free space which encourages the learner to speak, claim and raise voice as a part of their social responsibility.

It has been observed through contacts with the students that most of the students belonging to the socially disadvantaged communities do not feel at home while approaching the college authority and people entrusted with administrative duties. But we feel that unless and until this mindset is improved there shall be no ideal atmosphere for healthy execution of the teaching-learning process. Moreover, the rural-based learners need orientation regarding the ready-to-use infrastructure, teaching-learning facilities and the curriculum-social responsibility interface.

## FACILITIES AVAILABLE IN THE COLLEGE

### Hostel:

The college provides hostel facilities for girl students with provision for twenty two inmates. The students belonging to tea-tribe communities shall get preference. Intending students may apply for hostel seats in prescribed form issued by the office during admission. While admitting students to the hostel committee concerned takes final decision and will be selected for admission in the college hostel on the basis of merit and distance.

### Corpus Fund:

Corpus Fund, formed with monthly contributions of teaching and non-teaching staff of the College, is meant to provide financial assistance to the students belonging to the economically disadvantaged families requiring assistance for medical treatment and academic pursuit. However, the sole responsibility lies with the committee to consider the cases of the beneficiaries and the amount to be sanctioned thereafter.

### Poor Fund:

The college has been providing financial assistance to students belonging to economically disadvantaged families from the accumulated fees collected from the students at the time of admission. The office after collecting the forms from the students in the month of November-December submits the same to the Poor Fund committee for selecting the beneficiaries on merit cum means basis.

### Central Library:

The college library is enriched with more than seventeen thousand volumes of texts and reference books of eminent authors. The reference books of various kinds have definitely improved the quality of the library. National and regional newspapers, journals & periodicals are available for the use of the students along with a spacious reading room.

There is perhaps no limit to the standard of a well-managed library and hence we are still trying to improve and modernize the library. Books are issued to the students having library card from 10 A.M. to 4 P.M. The Institutional Repository has been of great help to the students where question papers, reference, books published by the college and faculties along with Mphil Desertations are available. A student can borrow two books at a time, for a fixed period of 15 days. After that the same books may be reissued. The college has a librarian and two assistants. In case of any damage or loss of the book(s) borrowed the students are liable to bear the cost or purchase the same to return to the library. The College library has been partially automated with SOUL 2.0 software.

### Book Bank:

There is also a Book Bank especially for the poor students in order to provide text books for the entire session. On receiving application a panel of selectors will consider the eligibility criteria and then finalize the list of beneficiaries. We have plans to reshape and augment the existing Book Bank.

### Departmental Library:

Each department of Dr. B.K.B. College maintains a small library with facilities of providing books particularly to the students offering major. There are around two hundred to five hundred books including journals in each of such libraries and it has been of great help to the advanced learners.

\* E-book and E-journals NLIST & NDLI

**Scholarship:**

All the schemes of scholarship facilities offered by the governments and other agencies are made available to students belonging to the Scheduled Castes, Scheduled Tribes, OBC, MOBC and Minorities. The students must have at least 70% attendance to avail the scholarships.

Besides, The institution offers “Prof. N.P. Mahanty Memorial Merit Award” sponsored by Mamoni Saikia Mahanty, the former Associate Professor of Dr. B K B College. The award is offered to the meritorious student securing the highest marks in major/general subject in Final Examination with a cash amount of Rs. 2000/-. Gayatri Gope, Associate Prof. Department of English offers Rs. 1000/- to the Best Singer of the College every year.

**Central Museum:**

The college has taken initiative to upgrade the existing mini museum to a well defined central museum. A separate room has been arranged for showcasing rare materials of historical and antiquarian interest, art works, manuscripts, traditional garments, etc. Dr. Som Nath Bora has been curating the museum.

**Computer lab :**

An upto-date computer lab has been installed with financial assistance under RUSA. Altogether 40 students can attend IT classes with a separate set of computer, ICT facilities, smart board.

**College Canteen:**

The college provides a well-furnished canteen newly constructed with financial assistance from the state government. All the members of the college community can avail the facility of the canteen installed within its campus. It provides lunch, tea and snacks at an affordable price with the supply of pure drinking water.

**College Gymkhana:**

The college has a well equipped Gymkhana for physical exercise and body building for the students and youths of the locality. A well trained physical instructor gives necessary training and instruction. The monthly fees for the students of the college is Rs. 50/- and for outside members it is Rs. 100/-. The aspirants need to contact office of the college in any working day for admission to Gymkhana.

**Auditorium:**

‘Sudhakantha Dr. Bhupen Hazarika Prekshagriha’, the auditorium of the college is constructed with financial assistance from Tea Board, India and formally dedicated to the service of the academic community in 2013. Since then the auditorium has been in use while conducting various academic and community oriented programmes such as Freshers’ Social, meetings, seminars, workshops, etc. An auditorium complete in itself is an expensive project and still needs further works for completion.

**Open Library:**

This is an innovative practice for promoting reading culture among students. The students can pick up a book at their choice and has no strict rules to be followed. It is literally open where every student is a librarian and a reader at the same time. The department of English looks after the library and Mr. Jitya Ranjan Saikia, assistant professor, English has donated two almirah for storing books while esteemed donors including eminent ones have donated books.

**Cloth Bank:**

Cloth Bank is an initiative of Department of Education, Dr B.K.B College, Puranigudam. It is a humble attempt to help students in need of clothes to take away with dignity. Any person can donate clean, washed and iron clothes to the Cloth Bank. It tries to spread warmth and love by donating clothes for all- men, women, children and kids. The furniture is donated by Dr. Ranjita Kakoti.

## Other Facilities:

1. The college provides facilities for involvement in sports, N.S.S., N.C.C, Scouts and Guide, cultural programmes, symposium, workshop - vocational & general. Some special UGC sponsored programmes like Remedial Coaching for slow learners and Entry into Service for preparing the students aspiring for employment, Career Counseling and Guidance etc are periodically arranged.

Wi fi connected Internet facility is available in the college campus which is bold step towards IT connectivity.

2. Adoption of Barchungjhar (at Chapanala) as a model village has been a long-term effort at extending community service to the disadvantaged social groups. The college has already introduced several programmes of free health check-up and vocational training in collaboration with the state departments.
3. The UGC Resource Center imparts basic instruction on computer application and use of e- resources to the students.
4. The Blue Ribbon Club organizes AIDS awareness programme and Blood Donation camp in collaboration with the office of the joint Director of health, Nagaon.

5. The NCC unit of Dr. B.K.B. College has had a fair record of participating in various camps and events organized by the concerned department and also getting involved in smooth conduct of different academic and sports activities performed by the college. Dr. B.K.B. College organised and organ donation awareness campaign on 27/11/2018 with active participation of our cadets.

6. Dr. B.K.B. College has launched its own website [www.bkbccollege.in](http://www.bkbccollege.in) with dynamic features, vital information concerning our scholastic and non-scholastic activities, plans and programmes, national accreditation by NAAC, details of faculty, courses of study etc. SS Technology is the partner providing service.

7. Our college has got qualified to receive grants under RUSA for development of infrastructure. Utilizing grants under RUSA various facilities such as institutional digital repository, video conferencing, digital class room, new academic block have been provided.

8. Dr. B. K. B. College felicitates students to participate in various Inter College competition under parent university.
9. Dr. B. K. B. College periodically organizes Book Fair for the benefit of the students and the people of the local society. We normally invite some reputed publishers cum distributors like Satirtha, Anwasha and Ank Bnak.

While introducing these schemes we mostly keep in mind the regional needs, all-round development of the students. With such involvement we want our students to be familiarized with the contemporary socio-economic realities. The institution seeks to provide them with a platform where each student can at least realize the old values and new compulsions, find basic instructions to procure a means of livelihood. Arousing individual sense of responsibility towards preserving healthy environment and national integrity is among our top priorities.

Almost all required facilities and equipments are now made available in the departmental laboratories of Education and Geography. Proposals are submitted to the U.G.C. demanding allocation during the 12th five year plan for modernization of the same. The GIS facility has already been introduced to the laboratory of Geography.

## The College Week:

It is the largest event celebrated in the college normally in the first week of February. It begins with the hoisting of the flag, various sports, cultural, literary events and ends with a prize giving ceremony. A colourful cultural procession showcasing the diverse cultural and ethnic items remains the most fascinating moment of the college week.

Besides these, the college community celebrates the Independence Day, the Republic Day, Saraswati Puja, the Tithi of Sankardeva, Fateha E Dowaj Daham, Gandhi Jayanti, World Environment Day, Women's Day, Children's Day, celebration of Rongali Bihu etc.

## COLLEGE UNIFORM

The students are required to wear the college uniform while attending their classes and the functions.

**For Boys :** White Shirt & Black Pant (Formal), Navy Blue Sweater.

**For Girls :** Muga Coloured Mekhela, Chadar with Blue Borders & White Blouse, Navy Blue Sweater.  
**Or** White Salwar-Kurta with Navy Blue Churni, Navy Blue Sweater.

**B. Voc :** Pink shirt, black pant for boys, pink salwaer-kurta with white churni for girls'.

## CLASS ATTENDANCE

75% attendance is compulsory for the students of H.S. and degree classes. With any record of attending less than 75% attendance, a student will be declared non-collegiate and in case the attendance falls below 60% he/she will be dis-collegiated. The non-collegiate students will have to pay a fine as fixed by the university while the discollegiate ones shall be debarred from attending the semester-end examinations.

## IDENTITY CARD

All the newly admitted students are provided the college identity card. The card needs to be duly filled up and attached with a passport size photograph signed by the Principal of the college. At any time while being present in the college the principal or a teacher is entitled to claim the identity card. In case of missing or getting damaged, a student is required to inform the authority through application and must get it reissued within a month with a fine of Rs.20. Only the identity card holders can contest in the general election of the student's union and claim scholarship.

Education is a great leveler and is the best tool for achieving economic and social mobility, inclusion, and equality. Initiatives must be in place to ensure that all students from such groups, despite inherent obstacles, are provided various targeted opportunities to enter and excel in the educational system.
