Introduction:

Dr. BKB College, located in Puranigudam, Nagaon, Assam, is affiliated with Gauhati University, Assam. Since its establishment, the college has offered a range of undergraduate courses such as B.A., B.COM, and B.VOC. The Internal Quality Assurance Cell (IQAC), alongside other departments, has been consistently engaged in enhancing the quality of education and improving student learning experiences.

To pinpoint areas for improvement and opportunities for further development, feedback from various stakeholders, including students, faculty, and alumni, was collected through a dedicated link on the college portal. This feedback was meticulously analyzed to identify any shortcomings and to outline strategies for improvement.

Following the feedback collection process, a comprehensive report was prepared. This report serves as a roadmap for the college administration, highlighting areas in need of attention and offering insights into enhancing the overall educational environment.

Through this continuous feedback loop and commitment to improvement, Dr. BKB College remains dedicated to providing a high-quality educational experience for its students.

Data Collection and Analysis:

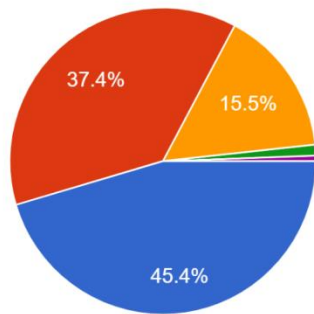

An initiative was undertaken to gather input from the majority of stakeholders within the college. To achieve this, various questionnaires and schedules were designed and made accessible through the college portal. To ensure comprehensive findings, relevant statistical methods such as percentages and ratios were employed in compiling the report. To present the data effectively, a variety of graphs and tables were utilized.
