

Library Orientation 2022-2023

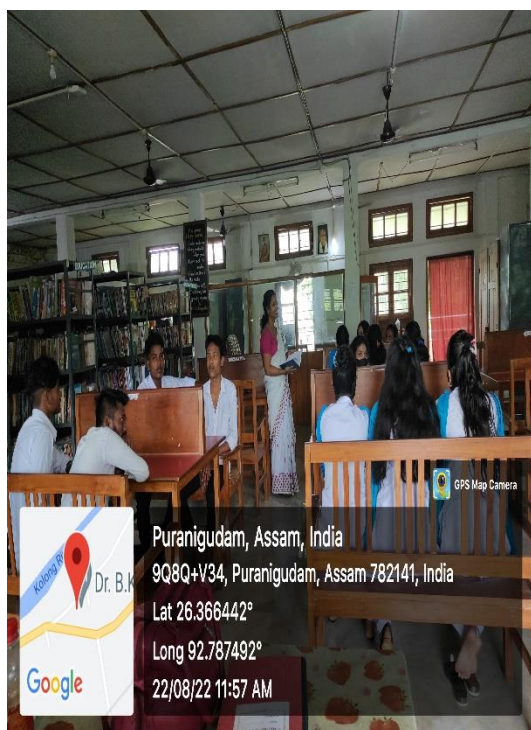

Date: 12/08/2012

Library Orientation offers first-year students an introduction to the library's resources and services. It has started the orientation programme in the year 2008. The newly admitted students of Higher Secondary 1st Year (Arts/Commerce), B.A. 1st Semester & B.Com. 1st Semester invited to the Central Library for the orientation programme. Sometimes Librarian attends a general class (English/Assamese) to introduce the different library services & activities and keep attendance for the membership card. After orientation, the students come to the library, visit the sections, collect their library membership cards, and put signatures against their attendance. The principal objectives of the programme are to familiarize students with the library facility, resources & services and to acquaint students with basic database searching techniques. In the session 2022-2023, the orientation programme for B.A. 1st semester has organized centrally on 12/08/2022 and 22/08/2022 for Higher Secondary.
