It is resolved, after verification of the Comparative Statement prepared, to allow the work of Digitalists of Central Library, D. B.K.S. College to Prope Engineering Associates with an agreement on stamp paper spanning two months long on right support & testing and free of paid support for five years. The firm is also offered to supply two Redium and two E-boards.

It is also decided to offer the work of Digitalists of Classroom to Almac Digital Schools. But not with an agreement of support service.

The committee also decides to go for modifications of the room provided by the Dept of I.T. which is so far for the use of Digital Libs and Video Conferencing and the amount is requested to be the needed for the same.

After verification of Comparative Statement the committee decides to offer the work of Video Conferencing to the firm with an agreement of 5 years support service.
