

**Mentoring Report**  
**Department of History**  
**Session 2020-2021**

The department of history strive to full fill its main goal of providing more contacts hours between teachers and students. Also to identify slow learners and advanced learners. Due to covid pandemic, regular classes could not be conducted but the department tried to reach out to students as much as possible through online mode to discuss various issue and give them guidance in the midst of pandemic. Online meeting was held thrice and offline meeting held once.

Highlights of meeting:

1. Discussion on course content and syllabus.
2. Discussion on different issues related to examination, books, library, attendance etc.
3. Discussion were held on enlightening the students on remedial classes and seminar classes held for slow and advanced learners.
4. Financial aid provided to students from weak economic background.

The meeting and interaction programme held during the year 2020 to 2021.
