Mentore Mentee Meeting  
(Group - A)

(Date: 03/06/2019)

Agenda

1. Mentore's welcome speech
2. Mentees Brief introduction
3. Disclosure of Issues and Discussion
4. Vote of Thanks and closing of Meeting

\* Time of Meeting : 12 pm to 1 pm.

\* Venue of Meeting : Room No. 2

A meeting was held on 03/06/2019 with the mentees of Group-A where discussion was put forward on some of the practical issues faced by some of the mentees which included lack of proper text books, financial hurdles faced by them, communication issues for which they always arrived at the college late and often missed the morning classes etc etc. With thorough discussion with the respective mentore, some issues were talked positively with departmental assistance and some were forwarded to college authority for proper action. In logical terms, the meeting was really beneficial and fruitful. The meeting ended with vote of thanks to all present.

Resolutions:-

(i) It is granted to provide adequate books to students before exam.

(ii) whenever demanded, proper assistance (both educational and financial) is encouraged in terms of students' requirements and necessity of provisions.

Action taken Report

Remedial classes of different topics and semester have been arranged aiming to improve slow learners students. Students have made acquainted with departmental library and its equipments. They have been guided and taken up individually in carrying out of their project work. Even they have been brought out to field work if required. Apart from some mentoring works were being continued regarding their professional goals, selection of career and higher education. Mentoring ships were given in career advancement i.e regarding self-employment, entrepreneurship development, opportunities, morale, honesty, integrity required for career growth. Coursework specific guidance as attendance and performance in previous semester and overall performance in the previous semester.

session - 2018-2019.

were provided.

### Outcomes of the System

After mentoring ship it observes that attendance percentage of the students has increased to greater extend. The number of detainment of students has decreased consistently. Slow learner students became capable mastery in difficult course contents. Student were greatly benefited from departmental library books. Due to direct communication between mentor and the student, there was good improvement in student-teacher relationship. Because of mentoring ships students could get easy to carry out the library and project work. Provided money from college fund helped them to meet an emergency.
