Sir,

I beg to inform you that I belong to a very poor family and my father is a farmer. His monthly income is just Rs 4000 only. He can not meet all the expenses of the family, as well as for my education. Sir, the books as well as the stationary costs too much these days. I'm a brilliant student and I also want to continue my studies.

Therefore, I request that you should kindly help me to buy the books for the TDC 6<sup>th</sup> semester class out of the Corpus Fund.

I assure you that I will work hard and show a still better result. I shall feel obliged to you for this act of kindness.

Sub: Asking for financial aid.

Sir,

I with humble honesty want to state before you that I am a student of B.A 6th Sem and I am from a very poor family with low monthly income. So quite difficult for my family to bear the cost of education.

The final process of B.A 6th Sem is going on and I have no money for it to pay the fees. There is utter despair. I am asking for financial help from the band regulating under you. Hope you will provide me the online fees for B.A 6th Sem.
