The present scenario of Education all over the world have been evolving in a very fast pace. The paradigm has been shifting towards skill based education. Emphasis is given on program outcomes and accordingly all the programs are introducing skill based vocational courses for self reliability. To cope up with the pace Dr. BKB College introduced Bachelor in Vocational courses in 2020 with prior approval from UGC and Gauhati University. The syllabus for these programs is also approved by our parent University. Under this program four courses were introduced viz.
