Report on Teacher's Day Celebration,

We celebrate Teachers' Day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is observed to mark the birthday of Dr. S. Radhakrishnan, one of the most well-known diplomats, scholar, president of India and above all a teacher.

The program was not held centrally but conducted departmentally. The theme for Teacher's day 2016 was **'Valuing Teachers , Improving their Status'**. The students invited Principal of the institute to their respective department to be part of the occasion. The event was planned and carried out at department level. The students express their appreciation and gratitude to their teacher's by holding felicitation program and taking this opportunity to share their thoughts and feelings for their teachers. Students also delivered speech relating to the theme of the year. Teachers also were given moment to share their experience and significance of the event.

The program are normally conducted after 1pm ensuring that normal classes are not hampered. After the formal program, a light refreshment was served wrapping up the event. Finally, Vote of thanks delivered by student and meeting ended.
