## **Report on Teacher's Day Celebration**

Teachers Day celebrated departmentally on 5<sup>th</sup> September; 2017. The event was organized by students of each department. It was celebrated with the theme, **Empowering Teachers**. Each department organized the program after 1pm ensuring not to hamper regular classes. The students of all department actively participated in the program. The students organized cultural program to mark the event. It has become a tradition for all the department to express their gratitude and appreciation for their teachers, whom they regard as their mentor, as well. The teachers received utmost respect and love from their students. The occasion is filled with full of colorful activities and speech from faculty and students as well. The entire program was conducted successfully and ended by vote of thanks.

Glimpses of Departmentally Celebration of Teachers' Day, 5<sup>th</sup> September 2017
